

Straumann Restorative Mini Residency

Hosted by: **Joplin Periodontics, Dr. Humaira Habib**

OVERVIEW

- A mini-residency sponsored by Straumann for you and your practice
- Five sessions spread over seven months
- A comprehensive, custom made course providing implant training to you, and your staff
- A practice building tool which will likely increase your dental implant awareness, treatment planning and production with these ancillary procedures

COURSE DESCRIPTION:

This 5-part treatment planning mini residency program is designed to dramatically increase the number of implant procedures you perform in your practice and improve the quality and longevity of final restorations. You will also gain the confidence to treat all patients in a more comprehensive manner, improving patient overall health and the financial well-being of your dental practice.
